

PRE OPERATIVE INSTRUCTIONS FOR VENACURE PATIENTS

Instructions for VEIN MAPPING prior to the VenaCure Procedure (Same instructions for men and women):

- Shower before you visit, as you will not be permitted to shower after the procedure for 24 hours.
- Prior to your appointment, please shave the operative leg as well as 1-2 inches in the pubic area on that side.
- Do not apply any type of moisturizer to your leg on the day of the procedure.
- Wear loose clothes.
- Be sure you have obtained a pair of prescription compression hose before leaving the office.
- Make an appointment 72 hours following the procedure for the follow-up with the nurse and for an ultrasound.
- Schedule a follow-up appointment 1 week after the procedure.
- Take prescribed medicine as directed.

POSTOPERATIVE INSTRUCTIONS:

- Resume normal daily activities.
- You will be given prescriptions for pain medications after your procedure.
